Description of Project
Resolution 2007-49

This project consists of the reconstruction of 90th Street from Broadway Drive south to Braun Road. The existing 24 foot rural section roadway will be reconstructed to a 56 foot wide, back of concrete curb to back of concrete curb, asphaltic concrete roadway; sidewalks will be constructed along the west side of 90th Street from Broadway Drive to the north line of the Rendell property and along the east side of 90th Street from Broadway Drive to the south property line of the Yocco residence and along those properties currently developed; concrete driveway approaches will be constructed as necessary. Storm sewer and storm lateral connections will be installed as well as replacing the box culvert at Chicory Creek. Pavement markings and signage will be installed to facilitate vehicular and bicycle traffic.
